## Sales Rep Spotlight Jake Yonkers

Jake has been doing an outstanding job and came to our minds as someone who deserved a shout out this quarter. He started in the lighting business in 1995 working for Pulsar Enterprises selling incandescent light bulbs to the showroom channel.

After this Jake went on to start his own agency in 2007. Jake has been married for 23 years and has 2

daughters IsaBella and Hallie. He has coached his daughters softball team for the last 13 years and also helps coach the local varsity soccer team. Some of Jakes favorite hobbies include hunting, fishing and coaching fast pitch softball.

We asked Jake his favorite quote and his response was Henry Fords quote in regards to the model T "Any customer can have a car painted any color so as long as it is black". Thank you so much Jake for being an awesome contribution to our company. We look forward to working with you for many years to come.

These employees were nominated by their co-workers as being a vital part of the team!

## Featured Product

### SUN866D MB8MB(WC)

Matte Black eight blade fan with wall control. This fan's 6 speed 66" blade span has integrated LED and would be a great fit for a modern outdoor space. This item is carried in our current line for 2019.

## Series Spotlight!

### Justin

The Justin Series is fairly new and contains two fixtures that feature exposed bulbs and matte black finishes. A true lighting trend for 2019.

HOMEnhancements' Matte Black finish is perfect for industrial, modern, transitional and contemporary styles.

The exposed bulbs add a modern and rustic look to this series fixtures.

It pairs well with our other cool colors, as well as grays and blues, and can be contrasted against warmer colors for a

stunning effect. Be on the look out for added fixtures to the Justin Series.
